I'm a recent graduate of NSCC IT Programming course. I focus on backend programming, and designing GUI components in several languages.

For the last 10 years, I have been a chef, and 5 of those years I also worked part-time/full-time as an offset press operator and production assistant at Gaspereau Press (printer/publisher).

Work Experience

Cook

Nelson Penner's Wild Feast - Wolfville, NS
August 2020 to October 2021

I've been working as a chef in various restaurants, and catering jobs for 8 years, as well as having two years culinary school experience. I have had the opportunity to experience a vast array of styles under some expert chefs, including tasting menus ranging from 6 to 16 courses. I'm passionate about cooking, and have high standards of work and cleanliness.

Production Assistant
